When data were updated in July 2024, the reference day for data from the National Population Register was changed from December to November 1st, back to the year 2011 for students above compulsory education. With this change the values for sex may have changed from previously published data. In addition, changes in the classification of programmes were updated back to the year 2007.

The year in the table refers to the first year in the school year. E.g. 2015 refers to the school year 2015-2016.

Year:

1998:

There are also 4 children born 1992/1991 at pre-primary level in December 1997. - 128 five years old pupils in compulsory schools are excluded.

1999:

There are also 3 children born 1993 at pre-primary level in December 1999. - 118 five years old pupils in compulsory schools are excluded.

2000:

There are also 4 children born 1994 at pre-primary level in December 2000. - 133 five years old pupils in compulsory schools are excluded.

2001:

There are also 9 children born 1995 at pre-primary level in December 2001. - 102 five years old pupils in compulsory schools are excluded.

2002:

There is also one child born 1996 at pre-primary level in December 2002. - 114 five years old pupils in compulsory schools are excluded.

2003:

There are also 2 children born 1997 at pre-primary level in December 2003. - 118 five years old pupils in compulsory schools are excluded.

2004:

There is also one child born 1998 at pre-primary level in December 2004. - 126 five years old pupils in compulsory schools are excluded. At Káraahjúkar were 11 children at pre-primary level and 8 pupils in compulsory school.

2005:

125 five years old pupils in compulsory schools are excluded. - At Káraahjúkar were 6 children at pre-primary level and 9 pupils in compulsory school.

2006:

83 five years old pupils in compulsory schools are excluded. - At Káraahjúkar were 5 children at pre-primary level and 10 pupils in compulsory school.

2007:

124 five years old pupils in compulsory schools are excluded.

2008:

135 five years old pupils in compulsory schools are excluded.

2009:

89 five years old pupils in compulsory schools are excluded.

2010:

91 five years old pupils in compulsory schools are excluded.

2011:

138 five years old pupils in compulsory schools are excluded.

2012:

184 five years old pupils in compulsory schools are excluded.

2013:

111 five years old pupils in compulsory schools are excluded.

2014:

114 five years old pupils in compulsory schools are excluded.

2015:

94 five years old pupils in compulsory schools are excluded.

2016:

82 five years old pupils in compulsory schools are excluded.
