	50->	0	0	0	0	0

Number of students is calculated 31th of December.

fields of education: 4th-7th figure covers specific field or area.

gender: Gender is calculated on the basis of the Civil Registration Number. The 10th digit tells a persons gender, where odd numbers indicate men, even numbers women.

age: By the end of the year.

time: Registrations in the education register are adjusted 3 years back in time, based on the ending date of the education. Therefore the figures in the table might differ from previous.
